

To All Rhythm and Ribs Food Vendors,

The show in October was huge success. Coca-Cola being the exclusive non-alcoholic drink provider caused some changes, but we thank-you for making that transition as smooth as possible.

The show in March will proceed in much the same way. All Coca-Cola products must be purchased on site from Coca-Cola. We will be set up on site for the duration of the festival.

This year, we are requiring every vendor interested in selling Coca-Cola products must fill out a credit application. We do not run your credit, and this does not affect your credit score. This is to make paying for your products at the end of the show easy and smooth. To avoid having to pay tax on your drink purchases, a Georgia State Resale Tax Certificate is required.

Products Available from Coca-Cola at Rhythm and Ribs Festival:

20oz Coke

20oz Coke Zero

20oz Diet Coke

20oz Sprite

20oz Dasani Water

16.9oz Dasani (for handout. Not for resale)

2 Liter Coke (for alcohol alcohol)

2 Liter Sprite (for alcohol vendors)

2 Liter Gingerale (for alcohol Vendors)

I look forward to working with you all again.
